

Mandara Spa®

We've chosen Mandara, one of the world's most respected spa brands, as our partner on board. Here's a selection of treatments available and they feel even better than they sound.

Massage Treatments

Mandara's Hot Stone Heaven

This indulgent and therapeutic massage uses the power of touch and aroma with heated Basalt stones to soothe away stiff and sore muscles. In Polynesia it's believed that the river rocks harness the healing power of the water that flows over them. As your therapist massages your body with the stones, you'll believe they're right.

Mandara Four Hands Massage

This is Mandara Spa's signature treatment. Two therapists working on you simultaneously, in synchrony and in serene silence – the ultimate indulgence!

Mandara To You

We bring the spa to you. A massage in the privacy of your own stateroom. (Stateroom size permitting)

...and these are just three of the many choices.

Body Wraps

All wraps include a gentle face, scalp or foot massage.

Elemis Exotic Frangipani Body Nourish Wrap

Creating a perfect combination from nature itself, coconut extract and Tahitian Frangipani are soaked together to produce the most exotic aroma and texture imaginable. Traditionally used by Polynesian women to protect their beautiful bodies and lustrous hair, Monoi oil will soothe, condition and soften your skin. Drench yourself in its moisture and bathe in sensuality.

Elemis Exotic Coconut Rub and Milk Ritual Wrap

A ceremony of pure sensuality to tantalise and delight! A traditional Balinese coconut recipe polishes the skin while the exotic body oil indulges your senses. Cleopatra was renowned for bathing in milk before her secret liaisons with Mark Anthony, so now it is your turn to bask in the ritual as a warm Milk Bath is smothered over your entire body. Healing, comforting opulence with pure unadulterated pleasure.
